WHO ARE WE & WHAT DO WE OFFER...

We are a dedicated team of hospitality professionals, with 35+ years of experience. We are passionate about supporting our local producers and showcasing the best of what Tassie has to offer.

Our beverage catering team offers you a stress free, energetic and unforgettable service for your event.

With our cocktail skills alone we created our own bottled cocktail range. This core cocktail range focuses on **supporting Tasmanian distilleries and farmers.**

When creating your perfect beverage list, our cocktails sit beautifully along side wine, beer and cider sourced from some of our favourite Tasmanian brands.

Although our list highlights our core Punch & Ladle cocktail range, we are certainly not limited to these.

If you have any special cocktail requests or if you wish for us to curate a list exclusively to your event please don't hesitate to ask.

We wish to work with you to curate a list that will make your event stand out from the rest.

In this package you will find base prices on what we can offer. The quoting process will include liaising on beverage options, equipment and service that best suit you and your event.

Thank you for contacting us, we look forward to working with you.
